On behalf of the Greater Sebring Chamber of Commerce, we extend a warm welcome to Sebring, Florida!

Whether your purpose is work, residence, or recreation, Sebring caters to a diverse range of lifestyles and paces. In the current landscape, there's a growing trend of individuals seeking refuge from the hectic nature of "big city living," and our location remains a sought-after destination in Central Florida. It's an enticing prospect — a place offering convenience, amenities, and a significantly lower cost of living compared to other cities in Florida. Moreover, many appreciate the affable locals who foster a sense of community and provide genuine, down-home service infused with southern hospitality.

Wondering about activities? Sebring boasts numerous options to keep you engaged! With a dozen budget-friendly, award-winning golf courses and over 100 lakes for fishing, boating, and water sports, there's something for everyone. The natural beauty of Sebring and Highlands County is a standout feature, with a must-visit spot being the renowned Highlands Hammock State Park—one of Florida's oldest.

So, if you're in search of a place to slow down, relax, unwind, and escape the hustle and bustle, you've discovered the ideal destination! Embrace the stress-free Florida lifestyle in Sebring—we look forward to having you here!

About the Chamber

Greater Sebring Chamber of Commerce:

"The Voice of the Business Community - Since 1914"

The mission of the Greater Sebring Chamber of Commerce is to serve the economic, educational, governmental and social interests of the people, organizations and communities it represents while fostering a prosperous and harmonious environment in which to live, learn and work.

We help facilitate these efforts by connecting local businesses, non-profit organizations and citizens in the Greater Sebring area. We provide members with the opportunity to promote and grow their business through a variety of networking events. We are a reliable source of community and business information and the Chamber is home to the largest Welcome Center in the county.

CREATING A STRONG LOCAL ECONOMY

The Sebring Chamber encourages a strong local economy by connecting you with the right resources that your business needs to succeed. We have strong relationships and serve as a liaison to the Small Business Development Center (SBDC), Highlands County Economic Development (EDC), Sebring Community Redevelopment Agency (CRA), Highlands County Tourist Development Council (TDC), and more. We also get you connected with your state legislators through our annual Legislative Luncheon, where they come to meet business owners face-to-face, update us on any important pieces of legislation coming down the pipeline, and more.

PROMOTING THE COMMUNITY

At the Sebring Chamber, OUR business is promoting YOUR business. We use our weekly newsletter to spread the word about what's going on at your organization and send it to our 1000+ email contacts. We also publish this Area Guide each year to keep new residents in tune with our community and to connect them with our members.

Rich in History

Did you know that Sebring is one of the few surviving circular cities in the United States? Completed in 1912, it is also the oldest circular city in Florida and the only one that uses a circle for its primary commercial district.

Known as "The City on the Circle", Sebring extends the same warm welcome it has since its founding in 1912 by Ohio industrialist George Sebring. This pioneer designed a circular plan as a focal point for the entire lakeside community. Downtown Sebring has been designated a 1920s Historic District on the National Register of Historic Places. Archival records indicate that George Sebring's "Circle Plan" for the downtown area was based on the design of Heliopolis, an ancient Egyptian city. George's idea was that all roads should radiate from the center of the community. Despite many modern improvements, his essential design remains today.

Investors, real estate entrepreneurs and bankers were intrigued by the layout of the community, seeing it as a potential economic bonanza.

The development of cattle ranches and citrus groves were complemented by connections via Seaboard Air Line Railroad's Orange Blossom Special to other cities throughout the nation.

By the mid-1920s, the population had grown nearly fourfold, and much of the early development had reached its peak. The City on the Circle had developed into a business mecca demand for housing outpaced developers' ability to construct. Biltmore interests financed the \$30 million development of Harder Hall, a major resort complex complete with its own golf course and home sites.

By the late 1920s, an end to the boom was caused by fraudulent land sales, railroad embargoes and clogged shipyards. Following the "Crash of 29", the area's economy received an enormous boost from the development of Highlands Hammock State Park and the establishment of Hendricks Field by the U.S. Army Air Force. Today, the Sebring Regional Airport occupies that same site.

Area pride and excitement was revived in the 1950s when annual international sports car racing began at the airport, using excess runways. The world renowned "12 Hours of Sebring" continues today as the oldest sports car race of its kind in North America.

Like many central business districts in America, downtown Sebring suffered a slump in the 1970s that began to correct itself in the 1980s. Looking to the future, the Sebring City Council – through special legislation – created the Community Redevelopment Agency (CRA) to spearhead redevelopment in the downtown area. As a result, Sebring was named a Florida Main Street Community in 1996 and subsequently invested over \$20 million in renovations.

Today, downtown Sebring offers a blend of shops, restaurants and professional businesses – all within walking distance of Allen C. Altvater Cultural Center, which includes the public library, Sebring Historical Society, Highlands Art League and Weigle Museum and Highlands Lakeside Theatre.

Arts & Culture

With more than 30 arts and culture attractions to experience in Sebring, we invite you to explore our many museums, theatres, music & galleries!

MUSEUMS

Children's Museum of the Highlands

The Children's Museum of the Highlands is a safe area for children (ages 1 – 12) to learn and explore. Through exhibits and ongoing programs, the museum provides interactive ways for kids to enhance their curiosity, develop their imagination and learn about a variety of experiences. Children will see the museum as a fun place to play and leave the museum with the knowledge that learning can be fun. *For more info, visit childrensmuseumhighlands.com.*

Civilian Conservation Corps (CCC) Museum

Highlands Hammock State Park is home to the state of Florida's Civilian Conservation Corps (CCC) Museum. The park is one of eight original parks built by the CCC in Florida. The museum, which was established in 1994, is housed in a building constructed by the CCC. Museum guides conduct tours where visitors can learn about the CCC and the history of the park through interactive exhibits. Paid entrance of the park is required for entry into the museum. *Call (863) 386-6094 for more information.*

Highlands Art League at the Clovelly House

As a part of the Highlands Art League's "Village Where the Art Lives", MoTA features

curated exhibits, both permanent and traveling. Art competitions and receptions are held in the Clovelly House, while art classes are featured in the Sebring Art Center (SAC). Highlands Art League is best known for their Art Festival, held the first weekend in November, and their painting classes. *Visit highlandsartleague.org.*

Military Sea Services Museum

This museum is the only museum in the U.S. to honor the Military Sea Services of the United States of America (The U.S. Navy, Marine Corps, and the Coast Guard). They dedicate this building to the memory of those gallant men and women who honorably served their country protecting our seas, shores, and air space. *Visit milseasvcmuseum.org for more information.*

Museum of Florida Art and Culture (MoFAC)

Located at South Florida State College, MoFAC brings visitors closer to Florida's captivating past and its talented present. MoFAC opened in 2001 as both a museum and gallery space; highlighting the best of what Florida has to offer, archaeologically and artistically. Its permanent display space details the chronological history of the state and its people via a timeline of events and artifacts unearthed at surrounding archaeological sites. *For more information, visit mofac.org.*

Peter Powell Museum of Art & Cultural Center

Peter Powell Roberts is an acclaimed Florida Master Artist, with a unique talent for interpreting the oft overlooked minutiae present in Florida's landscape. The Heartland Cultural Alliance has established a museum dedicated to the exhibition and preservation of his work. *Visit peterpowellroberts.org for more information.*

Charles F. Weigle House Museum & Gift Shop

Built in 1922, by Dr. Charles F. Weigle, a world-renown evangelist and song writer, wrote his famous hymn, "No One Ever Cared for Me Like Jesus" at this Lake Jackson property. The home is furnished similar to those of the early 1900's and showcases original pottery from Mr. Sebring's Ohio factory. Today, the property is owned and operated by the Sebring Historical Society. *For more information and hours, please visit www.charlesfweiglehousemuseum.org*

Sebring Historical Society Archives & Genealogy Research Center

Located under the Sebring Public Library, the Archives & Center contains a large repository of historical records and artifacts from throughout Highlands County such as City Directories, area newspapers from 1912, and family histories from all 50 states. *www.sebringhistoricalsociety.org*

MISSION STATEMENT: All employees of the School Board of Highlands County will partner with students, families, and the community, to prepare our students for a successful future by building a strong foundation for responsible citizenship, preparation for college and careers, and empowerment to achieve personal excellence.

Primary & Secondary Schools

The Highlands County school district encourages and supports excellence in education. The district offers a Kindergarten Learning Center, elementary, middle and high schools, along with community and adult education. Advanced classes are available at all grade levels.

Sebring High School offers the International Baccalaureate (IB) programme, dual enrollment with the local state college, and Advanced Placement (AP) coursework to allow students to earn college credits while enrolled in high school.

Highlands County high school students also can work toward a career while completing their high school studies at the Highlands Career Institute at South Florida State College (SFSC). The Career Institute is an entire learning experience. Students attend high school classes during one half of the day. During the other half of the day, students attend college level classes.

Private Schools

If a private education is preferred, students may attend Heartland Christian Academy or St. Catherine Catholic School, both located in downtown Sebring.

Higher Education

South Florida State College (SFSC) is a comprehensive, open-access, higher education institution dedicated to providing a student-centered environment focused on learning and personal enrichment through quality

programs and services. The College offers certificates, associate degrees, and bachelor's degrees that lead to the continued success of its graduates and a variety of opportunities for the educational, cultural, and economic advancement of the service district.

The College offers three bachelor's degrees: Elementary Education, Supervision and Management, and Nursing. The Bachelor of Science in Nursing is offered fully online, as well as the Bachelor of Applied Science in Supervision and Management. The Bachelor of Science in Elementary Education gives students hands-on experience in the classroom and graduates teachers who work in the local K-12 system.

Through its Adult Education Department, the College offers developmental courses to learn English, obtain a high school diploma, or strengthen skills in math, reading, and writing. SFSC provides customized training for the workforce at its campus locations and off-site at local businesses through its Corporate and Community Education Department. Non-credit courses are also available for leisure and enrichment. The annual Heartland Senior Games and the Lifetime Learners Institute allow the community to participate both physically and intellectually in areas of interest.

SFSC is one of the 28 institutions of the Florida College System and it has articulation agreements with several Florida universities to provide a seamless transition for SFSC graduates who obtain an associate degree to transfer to a bachelor's degree program within the state.

Fishing, Lakes & Parks

With more than 100 nearby lakes, Sebring offers some of the best lakes and creeks for fishing, water skiing, kayaking, canoeing, swimming, scuba diving, and recreation that allows you to enjoy the beauty and serenity many people have come to appreciate.

Sebring's Lake Istokpoga is the top Florida lake for trophy bass and was voted one of the best lakes for 10+ pound bass in the Southeast by Bassmasters.

Fishing is one of the most popular pastimes on many of our area waterbodies with great fishing year round and with peak times from November to April. The Florida Fish & Wildlife Conservation Commission (FWC) manages sustainable fisheries on many of our lakes and has done habitat enhancement projects on several, including Little Red Water, Josephine, and Istokpoga. Our lakes include populations of both regulated and non-regulated species.

The County's Parks & Natural Resources Department maintains more than 40 public boat ramps. In addition, the city of Sebring also maintains public facilities to access and enjoy our refreshing waters.

Leisure boating, water sports, skiing, and fishing are popular activities on the lake, and a public fishing dock is located at Lake Placid's **Lake June-in-Winter** is the county's second largest lake at 3,504 acres. It is the largest of the ridge lakes, and is frequented by boaters, swimmers, and fishing anglers. More than 800 acres on the west shore of the lake is preserved area known as **Lake June-in-Winter Scrub Park**, which offers unique opportunities to explore rare habitat. **Bishop Park** and **Lake June Park** are large public recreational areas with boat launches, public swimming, and picnic facilities.

HIGHLANDS HAMMOCK STATE PARK

Encompassing more than 9,000 acres, this park is known for its beautiful old-growth hammock, cypress swamps and an abundance of wildlife. Nine different nature trails take visitors through lush, jungle-like foliage and deep into the heart of one of the oldest state parks in Florida.

SPOTLIGHT ON SOME AREA LAKES...

Lake Denton is a 66-acre freshwater lake that is known for its clarity and visibility. Located between Avon Park and Sebring, Lake Denton's maximum depth is 51 feet. The lake has a public boat ramp and parking area.

At nearly 28,000 acres, **Lake Istokpoga** is the fifth largest lake in Florida. Anglers from all over the state and nation come to the area to fish at this lake, which features four public and several private launch ramps. Lake Istokpoga is ranked as one of the best bass lakes in the Southeast by Bassmasters, and it is #1 in the state for 10+ pound bass.

Lake Tulane is located in the southern part of Avon Park and is a fairly deep lake with a public boat ramp on the west side. Though small at 89 acres, this lake has been estimated to be more than 50,000 years old, making it older than any other documented lake in North America. It is a prime example of a Ridge-type lake and is one of the clearest in the county with visibility extending down to 30 feet below the water's surface.

Natural fun is waiting for visitors at Highlands Hammock. A large picnic area with convenient facilities, 159 campsites, horse trails and playgrounds make this park ideal for family gatherings. In the winter months, enjoy special programs like walks, slide shows and evening tours.

Lake Jackson is the centerpiece of Sebring. At approximately 25 feet at its deepest, most of the lake is just 9-16 feet deep. The water is clear and the shores are sandy. The lake has one boat ramp at Veterans Beach on the lake's west side. The city of Sebring maintains four public swimming beaches at Veterans Beach, City Pier Beach, Crescent Beach, and Hidden Beach.

For more information about... Fishing Licenses, TrophyCatch, Lakes & Launch Maps, Lake Charts, Bait & Tackle, Local Fishing Guides, Fishing Resorts, Fish Camps and Lakefront Accommodations, please see the full version of the Lakes & Fishing Guide at VisitSebring.com.

Visitors can ride the tram for a one-hour tour, learn about park history and natural communities while traveling through remote areas and along this historic "South Canal." Take photos of alligators and other wildlife. Hikers can enjoy one of the leisurely half-mile trails or bike the 3.1-mile Loop Drive. Bicycle rentals and bicycle trail maps are available at the ranger station.

Golf in the Heartland

Citrus Golf Trail

Sebring's Citrus Golf Trail is the Golf Value Destination of America. With courses that build on the natural beauty of authentic Florida (picture moss-covered oaks and preserves that provide a backdrop for some of our greens), you could find it difficult to keep your eye on the ball. But wet and dry, sandy and woody conditions combine to create challenging courses for any skill level on our fairways. And, we're home to one of the world's largest greens as well as courses designed by international names in course architecture – guaranteeing a challenging game for the most practiced golf enthusiasts.

HCA Florida Highlands Hospital

Serving the community since 1965, HCA Florida Highlands Hospital, formerly Highlands Regional Medical Center, is a 126-bed acute care facility accredited by the Joint Commission. At HCA Florida Highlands Hospital, they offer a full range of services including inpatient and outpatient surgery and joint replacement. Minimally-invasive Robotic surgery is offered for orthopedic surgery in the newly renovated Orthopedic Institute at HCA Florida Highlands Hospital. The hospital has the area's only dedicated 24/7 senior emergency room.

HCA Florida Highlands Hospital is a facility of HCA East Florida. HCA East Florida is the largest healthcare system in Eastern Florida and an affiliate of HCA Healthcare (HCA). HCA East Florida has 14 hospitals, multiple ambulatory surgery centers, urgent care centers, physician practices, imaging centers and free-standing emergency care facilities, as well as a supply chain center and an integrated regional lab. Together, HCA East Florida employs more than 18,800 employees and has more than 7,000 physicians on staff.

AdventHealth Sebring

AdventHealth, formerly Florida Hospital, has been caring for our Heartland neighbors since 1948 with a mission to "Extend the Healing Ministry of Christ." AdventHealth Sebring is a not-for-profit, faith-based 222-bed health care system with a staff of more than 1,800 employees and 225 board-certified physicians.

Both the Lake Placid and Sebring hospitals hold an "A" in patient safety from the Leapfrog Group. Built in 1998, AdventHealth Sebring offers 147 private rooms nestled on 86 acres near Sun 'N Lake. This campus offers the county's only certified Heart & Vascular Center and largest ER. It also contains a "Baby Friendly" - accredited OB, minimally-invasive orthopedics program, robotic surgical services and an ACR-accredited diagnostic imaging "Center of Excellence."

AdventHealth Lake Placid on US Highway 27 was built in 1981 and features 50 private rooms. It contains an ER, surgical services, wellness center and diagnostic imaging, all with electronic medical record capabilities.

Looking...for a physician, clinic, surgeon, urgent care facility, dentist, or optometrist, see page 60 for more information.

Our Mission is to serve the economic, educational, governmental and social interests of the people, organizations and communities it represents while fostering a prosperous and harmonious environment in which to live, learn and work.

Starting a Business

There has never been a better time to start a business in Sebring than right now! Careful planning prior to launching your business is one of the keys to success, and we're here to help you become a prosperous member of our community. This information may prove to be helpful for your new business ventures.

Prepare a Business Plan

Developing a business plan is one of the most important steps in making your decision to start a new business. The Small Business Development Center (SBDC) can assist you with creating your business plan, which is often a requirement for securing business financing. Contact Greg Manning, our local Business Consultant for the SBDC at (863) 784-7378 or email gmanning@usf.edu

Determine your Business Structure

LLC, Incorporated, Sole Proprietor...which is the right decision for your business? Making the decision on how to legally structure your business is important, and we suggest that you consult an attorney and financial service company that can assist you with the process.

Get your Federal Employer Identification Number

All businesses must register for an Employer Identification Number, commonly called an EIN. Applying for an EIN is a free service offered by the Internal Revenue Service. Beware of Web sites that charge for this free service.

Decide on the Location

Sebring offers new land that's ready to develop, as well as existing office space to fit almost every budget. One of our commercial real estate agents can assist you with the entire process, from selecting a location and negotiating the terms of your purchase or lease. More information on properties that are currently available can be found on the Highlands County IDA/EDC's website.

Secure Financing for your Business

Starting a business takes capital, and no one is better suited to assist you than one of our local banks. The SBDC can also assist you in capital access.

Understanding Planning & Zoning Requirements

Prior to purchasing or leasing property for your new business, you'll need to verify that the zoning restrictions in the area are properly designated for your type of business. Contact the appropriate zoning department, based on your property's location:

Highlands County Zoning Department
(863) 402-6638

City of Sebring Planning & Zoning Department
(863) 471-5102

You may also need permits if you plan to remodel, demolish or build new structures. Contact the appropriate planning department, based on your property's location:

Highlands County Planning Department
(863) 402-6650

City of Sebring Planning & Zoning Department
(863) 471-5102

Understand the Labor Force in Highlands County

Career Source Heartland publishes a yearly workforce report. This report presents the results of a retrospective and prospective analysis of existing data from the Florida Department of Economic Opportunity, to identify the mix of industries, industry growth trends, occupational mix, current employment gaps, and the annual projected demand for regional occupations through the year 2021. Where possible, the data shown is for the Heartland Region - DeSoto, Hardee, and Highlands counties.

Once you're ready to begin hiring your staff, there are a number of employment agencies that can assist you in finding the right employee. They can assist with everything from posting the positions and pre-screening the candidates.

Obtain Business Insurance

You may be required to carry general liability, workers compensation insurance, or other types of insurance coverage (depending on the nature of your business). We've got some great insurance companies that can assist you with your options.

Racing Roots:
 From Runways to Raceway

America's oldest and most prestigious road racing track originated from Hendricks Field, a WWII military air base that trained B-17 combat crews. When the base closed in 1946 it was turned over to the City of Sebring for use as an airport and industrial park.

Aviation entrepreneur and sports car enthusiast Alec Ulmann promoted the first race at Sebring on Dec. 31, 1950. The track utilized airport runways and access roads within the former military base. Sports car racing at Sebring grew rapidly and the annual 12-hour endurance classic became known internationally. The world's top drivers and manufacturers competed at Sebring every year, attracting thousands of fans and world-wide media coverage.

Legendary drivers such as Mario Andretti, A.J. Foyt and Dan Gurney have won at Sebring, driving cars built by Ferrari,

Porsche, Jaguar, Ford, BMW, Chevrolet, Nissan, Toyota and many other manufacturers. Steve McQueen and Paul Newman are just two of the many celebrities who have competed at Sebring. The track has evolved dramatically over the years, with constant improvements to the facility. Located adjacent to Sebring Regional Airport, Sebring International Raceway is busy all year with testing, club events, racing schools and other events.

The Mobil 1 Twelve Hours of Sebring, held annually every March, was recently voted the #1 Motorsports Event in North America by readers of USA Today. Sebring International Raceway is proud of this important recognition and welcomes the many race fans who visit Sebring and Highlands County every year.

For more information and their upcoming events, please visit sebringraceway.com and follow Sebring International Raceway on social media.

The advanced care you need,
in the towns you call home.

The AdventHealth Network of Care

Imagine emergency departments instantly connected with specialized clinics and regional hospitals. The shared expertise of hundreds of physicians, all working together to bring you the highest standard of whole-person care. The latest technology used to treat you in body, mind and spirit — to help you get back to what brings you joy and what makes you feel whole.

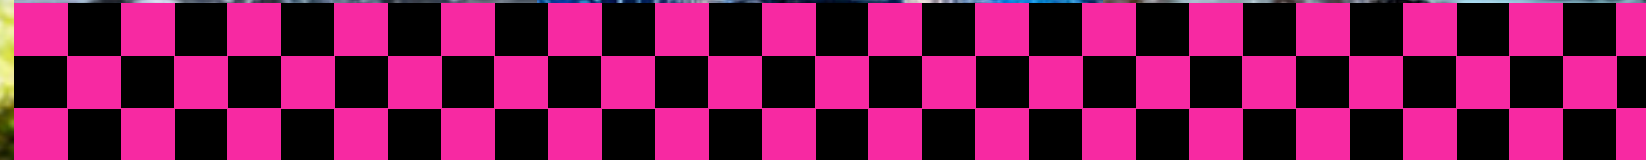

This isn't something you need to drive a few hours away to find; it's the standard of care you'll receive at AdventHealth right here in Hardee and Highlands County.

YOUR CREDIT UNION.**

MIDFLORIDA
Florida's community credit union®

Insured by NCUA. 1. Offer valid as of January 1, 2026, and may be canceled at any time. MIDFLORIDA Credit Union membership and eligibility requirements apply. See associate for details regarding fees and terms. Freedom Banking, fiduciary and minor accounts and secondary checking accounts excluded. Other terms and conditions apply. To qualify for the \$400 incentive, you must open a new Free Checking account with direct deposit (\$4,000 cumulative which must post within 75 days of account opening); accept and open Online Banking, eStatement, and a debit card; and complete 40 debit card purchase transactions which must post within 75 days of account opening. Direct deposit must be an automated clearing house (ACH) credit of your paycheck, pension or government benefits from your employer or the government; tax refunds, cash transfer app deposits and transfers from another MIDFLORIDA account do not qualify. No dividends are paid on Free Checking. Annual Percentage Yield is 0.00%. Limit one incentive per Social Security number. Past checking account holders and previous recipients of checking account incentives are ineligible. Account must remain open and unrestricted at least 90 days to qualify for the incentive. After all qualifications have been met, the incentive will be deposited to the new Free Checking account within 90 days of account opening and will be reported to the IRS. Minimum to open Free Checking is \$50. 2. ATM transactions are free at any MIDFLORIDA proprietary ATM or when using a Publix Presto! ATM.
