MORE INFO

ONLINE: highlandsfl.gov/departments/solid_waste/recycling.php

CALL: 863-402-6505

A separate bin is available for glass. Lithium-ion batteries are also accepted.

Attendants at each site are able to answer your questions, help you deposit the items that can be recycled, and make sure the items are deposited in the appropriate recycling containers to avoid contamination.

Plastic bags are not an accepted recyclable item and are not allowed inside the bins. They can be used to bring recycling items to the sites, and then be reused or thrown away in the trash afterward.

Good Mrs. Page,

Recently, I was informed that the Mayor, Commissioners, and Citizens who serve are not allowed to give an opinion of the Hillsdale member school project. The opinion is to decide whether the school will be a detriment or a benefit to the schools community here in the community of Hillsdale.

My need for the application for this project is to have your opinion stated on this interurbal in order to qualify for the USDA grant which is being considered for us to move forward on the purchase order of the school facility project.

If you would be so kind as to state in this letter by forwarding it to yourself and trying not what your opinion of the Hillsdale member school is, this would be a great help. Thank you for taking time out to answer me.
