AMERICAN PICKERS to Film in Florida

The American Pickers are excited to return to Florida! They plan to film episodes of The History Channel hit television series throughout your area in December 2022.

AMERICAN PICKERS is a documentary series that explores the fascinating world of antique "picking" on The History Channel. The hit show follows skilled pickers in the business, as they hunt for America's most valuable antiques. They are always excited to find sizeable, unique collections and learn the interesting stories behind them.

As they hit the back roads from coast to coast, the Pickers are on a mission to recycle and rescue forgotten relics. Along the way, they want to meet characters with remarkable and exceptional items. They have to give historically significant objects a new lease on life while learning a thing or two about America's past along the way. The Pickers have seen a lot of rusty gold over the years and are always looking to discover something they've never seen before. They are ready to find extraordinary items and hear fascinating tales about them.

We at American Pickers continue to take the pandemic very seriously and will be following all guidelines and protocols for safe filming outlined by the state and CDC. Nevertheless, we are excited to continue reaching the many collectors in the area to discuss their years of picking and are eager to hear their memorable stories!

The American Pickers TV Show is looking for leads and would love to explore your hidden treasure. If you or someone you know has a large, private collection or accumulation of antiques that the Pickers can spend the better part of the day looking through we would love to hear from you! Please note, the Pickers DO NOT pick stores, flea markets, malls, auction businesses, museums, or anything open to the public. If interested, please send us your name, phone number, location, and description of the collection with photos to:

FOR IMMEDIATE RELEASE:

Legendary women's event returns to Sun 'N Lake Golf Club for 2022

Sebring, Fla. - The Citrus Golf Trail (CGT) Ladies Invitational is set for December 26-30, 2022 at Sun 'N Lake Golf Club.

Formerly known as the Harder Hall Ladies Invitational, the CGT Ladies Invitational has officially opened registration for the 4-day tournament that is returning to Sun 'N Lake Golf Club. The legendary women's tournament will kick off with an official practice round on Thursday, Dec. 26.

Registration for the 68th playing of the event will open on Sept. 9 until Nov. 30 and will continue to award World Amateur Golf Ranking points. Originally started in 1954, the event had been held at the Harder Hall Golf Club each year. Since 2021, it is now being held at Citrus Golf Trail member Sun 'N Lake Golf Club.

"The Citrus Golf Trail is dedicated to organizing and promoting the growth of the game of golf in the area, supporting the values inherent in the game of golf, and honoring the legacy of local golfing traditions, so the CGT Ladies Invitational is a perfect fit for the Trail's overall mission," said Visit Sebring's Casey Hart.

"The Citrus Golf Trail was thrilled with the success of last year's event and everyone's support of the tournament move to Sun 'N Lake Golf Club," said Andy Keeling, Citrus Golf Trail Director. "It is exciting to watch golf's up-and-coming female golfers continue in the footsteps of so many amazing golfers before them right here in Sebring, FL."

Winter 2012

When is a local celebration of a city, state or national holiday? When is it not?

Automobile Race

Among his many valuable items of memorabilia, Percy Sebring has a copy of the program of the South Annual Grandstand-Thompson Road Race of March 27 to the 29, 1908, and the First Annual Road Race, Indianapolis to Miami, March 27 to the 29, 1908. There are several reasons why this program is of great interest to Sebring residents. (1) The association in the racing world. (2) The fact that George E. Sebring was president of the sponsoring organization and (3) he was a member of the publishing firm that had and the content of the race.

Like the Florida State of Sebring, this Indianapolis to Miami was not only a road race, but it was an endurance contest. As well, and also, like Sebring's 12 Hours, the race attracted all of the world's leading drivers of that day.

"How the Cleveland Publishers mapped the Road"

Sebring from Indianapolis, Florida, on January 24th with Miami, FL is only 100 miles away as a destination, yet road barriers, typos

examples, rugged terrain, though Sebring residents and Sebring drivers, James Langley III of Pittsburgh, PA George E. Sebring of Sebring, FL, race president of the Florida State Grand Automobile Association and Walter S. Thomas of Sebring, FL, all built it, a 1908 Cleveland long transportation network to bring the way, map the terrain, and road race Sebring for Sebring automobile and tourism. The steady Cleveland was equipped with Continental tires of the toughest tread, and extra care of Sebring all were carried in addition to a tire, race, cooling systems, and control growth in the choice of a "normal" growth, which completed the race. As for the morning of January 29th the Cleveland Publisher told from the office of the Times in Sebring, Indiana.

The Cleveland was the first automobile to make the trip, though Ralph Owen told a race earlier, as did a team on the year before.

"The First Trip"

The first day's trip was from Indianapolis to St. Augustine, that city being reached so late in the afternoon it was decided that we go on to Orono. While the trip can be found
