We have placed ALL of our member names into a bowl to draw from every week. New members will be added to the drawing as they join.

On Mondays we will draw  
FIVE Members to highlight on Facebook and in the newsletter  
for the next week!

Your 'highlight' can be ANYTHING you want it to be. It can be promoting a special event, history, a great customer service story you would like to share, etc.

You can send a video (30 sec or less) or flyer (PDF or JPEG format). It must be received no later than the Friday the week before you are set to be highlighted. We will let you know what day you will be highlighted on Facebook

Once everyone has been drawn, we will start over again!

If you are a current member of the Sebring Chamber, you do not need to do anything extra to be included.

#### Customized Training

Employers may be able to receive local funding assistance for skills upgrade training for their employed workers. This program may be used to meet many industry or company-specific training requirements. Businesses may become more competitive by providing their employees new skills that may lead to greater productivity.

#### On-the-Job Training (OJT)

OJT allows employers to employ and train a candidate referred by CareerSource Heartland, for a full-time, high-skill/high-wage position. Employers are reimbursed up to 50% of training costs and must agree to offer full-time employment upon completion of training.

#### Transitional Jobs

This program may be the solution for employers having difficulty finding a qualified candidate for an open position. The Transitional Jobs program provides a job seeker with the training and skill development necessary for successful employment retention. Training funds are provided by CareerSource Heartland through a third-party staffing agency for a twelve-week training period.

#### Quick Response Training\*

Seeking funding to train employees? Quick Response Training (QRT) offers partial reimbursement to relocating or expanding businesses for expenses related to training new or existing employees after jobs have been created or retained and the training has occurred. CareerSource Heartland serves as a liaison and helps facilitate your application for these grant funds.

#### Incumbent Worker Training (IWT)\*

Expense-reimbursement grants for customized skills upgrade training are available to existing for-profit Florida businesses. Targeted Industries with 25 or fewer employees in distressed urban and rural areas of Florida are given priority.

\*Both Quick Response Training and Incumbent Worker Training are business-friendly training grant programs powered by CareerSource Florida. CareerSource Heartland serves as a liaison and helps facilitate your application for either of these grants.

Contact us today to find out if your business meets the requirements for any of these grant programs. Your success is our goal!!

# Recycling centers are open!

All three of the County's recycling drop-off centers are now open!

**Residents will be able to bring items to the recycling centers only during the posted hours of operation. See below for that information.**

## WHAT CAN BE RECYCLED?

- Glass
- Plastics (bottles, jugs, and jars)
- Steel, tin and aluminum cans
- Clean flattened cardboard
- Newspaper, junk mail, office paper (not shredded) and other non-coated paper

The plastic, paper, aluminum, and cardboard will all be combined into one bin, while glass will go into a separate bin. Bags used to transport recyclables to the drop-off center will need to be emptied and then disposed of as garbage (unless they are re-usable). **Plastic bags are not accepted.**

The on-site attendant will be able to answer questions, help residents deposit the items that can be recycled, and make sure the items are deposited in the appropriate recycling containers to avoid contamination.

Find more information online at [highlandsfl.gov/departments/solid\\_waste/recycling.php](http://highlandsfl.gov/departments/solid_waste/recycling.php).

**Who Uses Document Preparation?**

Florida Residents:

The court process does not have to be thought of as an expensive and daunting. It can be (and is) a simple process that can be the way for you to go. We are not lawyers, we are a document preparation service designed for the person who wishes to represent him or herself in court proceedings. We cannot be held out as either our right or ourselves are. We can assist you with and prepare all the required court documents you will need to make your petition through the court system as simple as possible. We guide you through the court process, making your process as simple as possible. From there, all you do is submit the documentation to the Clerk of Court and pay the fees. Once that, you will receive a notice of your hearing date, which you may or may not have to attend depending on your particular legal situation.
